Book fairs, reward and recognition ceremonies, and capacity-building programs for teachers further enriched the academic environment.

Democratic values were fostered through a ballot-based School Leadership Council election. Sports continued to be an integral part of the curriculum, with students participating in national-level swimming competitions in India and various inter-school sporting events. Indoor sports event "Ignite 1.0" and staff sports activities added to the vibrant sports culture.

### **Cultural & National Celebrations:**

The school celebrated cross-cultural festivals including Onam, Diwali, Pongal, Christmas, and Eid. The grand cultural event "Sanskriti Sangam" showcased India's diversity.
