Annual Report 2023–2024

The Academic Year 2023–2024 was a year of steady growth and achievement. With 925 students and 60 teachers, and a healthy 1:8 teacher-section ratio, the school ensured personal attention and balanced development in academics and activities. We are proud to share that our students secured a 100% First Class Result in the Grade X CBSE Board Examination. The school faced change of leadership when the new Principal **Mr. Anoop Sharma** joined team NGIS, after the summer break.

Academics

Guided by the inspiring words of A. P. J. Abdul Kalam, our academic approach fostered creativity, critical thinking, and holistic growth. The year was structured into two terms with Periodic Assessments, Terminal Examinations, and regular Parent-Teacher Meetings to ensure continuous progress. Kindergarten students engaged in joyful, theme-based learning activities that enhanced their cognitive and motor skills.

Co-Curricular & Achievements

Students showcased their talents through various competitions including Art, Debate, Essay Writing, Quiz, Dance, Music, and Clay Modelling. Over 100 students participated in National Olympiad Examinations, achieving Zonal Level Excellence, while another 100+ students earned accolades in inter-school contests conducted by Shastra Prathibha.

Sports

Inspired by the words of Muhammad Ali, we believe champions are built with confidence and perseverance. With facilities for Swimming, Archery, Karate, Basketball, Football, Badminton, Athletics, Chess, and more, sports continue to nurture teamwork, leadership, and emotional well-being.

Library

Echoing Malala Yousafzai, our library—housing thousands of books—inspires a love for reading. Students from Grades I–X spend 45 minutes weekly enhancing their reading and communication skills.

Conclusion

The year 2023–2024 stands as a testament to our dedication and pursuit of excellence. With outstanding academic results, vibrant co-curricular participation, sporting achievements, and continuous teacher development, New Gulf Indian School remains committed to nurturing confident, disciplined, and capable individuals—igniting young minds to become tomorrow's leaders.
